R.C.I.A. DISCUSSION SACRAMENTS

A sacrament is often described as “an outward sign instituted by Christ to give grace.”... Some outward signs of baptism are Water, Oil, Baptismal garment and Candle.

The Sacrament of Baptism removes the stain of original sin, gives us new life as adopted children of God, and seals us with the indelible spiritual mark (character) of belonging to Christ. The mark of Baptism remains on our soul forever. Therefore Baptism cannot be repeated.

By Baptism we become members of the Church, the Body of Christ. Baptism provides a common foundation among all Christians, including those not yet in full communion with the Catholic Church. The Church recognizes the validity of Baptism in other Christian Churches as long as the rite involved the pouring of or immersion in water, a Trinitarian formula, and the intention to baptize. Those who have been baptized have been saved by their faith in Christ and the grace of Baptism. “They therefore have a right to be called Christians and with good reason are accepted as brothers [and sisters] by the children of the Catholic Church” (CCC,no1271, citing UR,no3).

Baptism places us in the state of grace. This is called sanctifying grace because God “sanctifies us, that is, makes us his holy people by giving us his life. God continues to assist us by many helps that are called actual graces. Grace helps us mature in goodness through the practice of virtues, such as the Cardinal Virtues: prudence, justice, temperance, and fortitude.

Baptism takes away the sin inherited from Adam (original sin) and any sins we personally committed before baptism. For sins committed after baptism, a different sacrament is needed.

The Sacrament of Reconciliation is one of the most unique and beautiful aspects of Catholicism. Jesus Christ, in His abundant love and mercy, established this Sacrament so that we as sinners can obtain forgiveness for our sins and reconcile with God and the Church. The sacrament “washes us clean,” and renews us in our sanctifying grace.
